

## Library Special Exhibition (6/1~31/1/2020)

The Library is holding a special exhibition from 6 January to 31 January 2020. A highlight of books and journal articles related to Architecture, Business, and Civil Engineering are displayed in the library now. Welcome to participate!

## Library Workshops - January 2020

Library offered workshops to assist students in enhancing the knowledge on library online resources in the subjects of Architecture, Business and Civil Engineering in mid-January 2020. Users may also request workshops to improve the library research skills in particular subject areas. Please contact library staff for details.

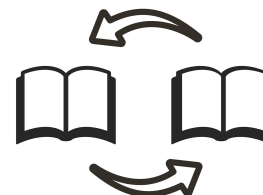

## Library Service Updates Document Delivery Service / Interlibrary Loan Service

To facilitate information sharing between our partner libraries, library collaborates with local partner libraries and overseas institution to provide the Document Delivery Service (DDS) and Interlibrary Loan (ILL). Through these services, eligible users can request journal articles and print books not available in the Library. The number of participant libraries are kept rising.

## Meeting Room Reservation

Library provides three meeting rooms for staff and students to conduct collaborative study and group discussion. To meet the user's need, the maximum booking quota is increased to 6 sessions (30 minutes each) per day and 3 bookings per week. The online reservation is available on library website. Users are required to check in the room at the Library Circulation Desk. Thank you for your cooperation.
